I want to be everybody  
I wish that i wasn't me  
I was dropped from out of sight  
I always land on my feet  
I was bit by the bug, grew 47 foot tall  
I wasn't who i thought i was  
I wasn't anything at all

I want to be everybody  
I wish that I wasn't me  
I'm the bones of the dead  
Superhero trustee  
Now seven minutes have passed  
And everybody got blasted  
Operate annihilate and everything is alright...  
Alright,  
Yeah, go (alright)

OPERATE, ANNIHILATE!  
OPERATE, ANNIHILATE!  
Non-stop sound to violate, cause what you thought was  
wrong  
OPERATE, ANNIHILATE!  
OPERATE, ANNIHILATE!  
What you got, you got too late, cause everybody's  
gone

I want to be everybody  
I wish that I wasn't me  
The point furthest from is from a point of view less  
likely  
You were the king of the moon  
Now you just lie in the dirt  
Where is the fist of fury  
Now everybody get hurt

I want to be everybody  
I wish that I wasn't me  
The real truth is in the head of truth is insanity  
Now seven minutes have past  
And everybody got blasted

Operate annihilate and everything is alright...  
Alright,  
Yeah, go (alright)

OPERATE, ANNIHILATE!  
OPERATE, ANNIHILATE!  
Non-stop sound to violate, cause what you thought was  
wrong  
OPERATE, ANNIHILATE!  
OPERATE, ANNIHILATE!  
What you got, you got too late, cause everybody's  
gone

OPERATE, ANNIHILATE!  
OPERATE, ANNIHILATE!  
Non-stop sound to violate, cause what you thought was  
wrong  
OPERATE, ANNIHILATE!  
OPERATE, ANNIHILATE!  
What you got, you got too late, cause everybody's  
gone (gone)

OPERATE, ANNIHILATE!  
OPERATE, ANNIHILATE!  
What you got, you got too late, cause everybody's...  
GONE!  
They're GONE!  
They're GONE!
