"The One And Only"

Yeah! Yeah!
The one and only
Yeah! Yeah!
The only one
Yeah! Yeah!
The one and only
Yeah! Yeah!
To burn the sun

Everybody, this is it
The one and only megatronic super villainous
It seems so simple
You can't survive think it over
Realize it's all the time you've got
Everybody can you see
The one and only, one and only, one and only me

Yeah! Yeah!
The one and only
Yeah! Yeah!
The only one
Yeah! Yeah!
The one and only
Yeah! Yeah!
To burn the sun (sun)

Everybody gather round
Pick yourself and your feet
>From off the ground and sink into the system (sink
into the system)
To find a world without an end
You come around and back again
To sing the song of truth one last time
It seems so simple, seems so right
But it's mostly just a lie
Am I the only one that knows what this means?

Yeah! Yeah!
The one and only
Yeah! Yeah!
The only one

Yeah! Yeah!
The one and only
Yeah! Yeah!
To burn the sun (sun)

Yeah! Yeah!
The one and only
Yeah! Yeah!
The only one
Yeah! Yeah!
The one and only
Yeah! Yeah!
To burn the sun

Forbidden planet
Forbidden hope
Electric gods a machine or a rope
Earth needs a killer
To burn the sun
Automatically adopted as the one

(Yeah, that's right, that's right)

Everybody understand
I speak the truth
Cause I lie more than any man
Expend expendable
You'll never last
Destroy the now
Cause it's here and it's going fast

Yeah! Yeah!
The one and only
Yeah! Yeah!
The only one
Yeah! Yeah!
The one and only
Yeah! Yeah!
To burn the sun around (round, round)
