(UH! Yeah)

No door on the bathroom stall
No water coming out of the wall
No food and nothing to drink
No peace and I can't even think

I'm a walking disaster
I'm a walking disaster
I don't care but you might have to
I'm a walking disaster

I'm a walking disaster
I'm a walking disaster
I don't care but you might have to
I'm a walking disaster

(Go! Right)

You can dig but you're only getting dirt
You can swing but you're only getting hurt
You can want what you want but don't get
I don't forgive and I never forget

So, back up, sit down
Take a look around the last mistake has been rectified
Back up, sit down
Take a look around the last mistake has been rectified

You're a walking disaster, you're a walking disaster
You don't care but I might have to
You're a walking disaster

You're a walking disaster, you're a walking disaster
You don't care but I might have to
You're a walking disaster

(Hey! Hey! Hey! Hey!)

I'm a walking disaster, I'm a walking disaster
I don't care but you might have to

I'm a walking disaster

I'm a walking disaster, I'm a walking disaster
I don't care but you might have to
I'm a walking disaster

We're all walking
We're all walking
We're all walking
Disasters!

We're all walking
We're all walking
We're all walking
Disasters!

(Hey! Hey! Hey! Hey!)
