"...as I urinate on your pale face,  
I crown myself 'cause you have lost the race!"

In solitude you had to live  
Tried to find the right solution  
You did not find your way out of here  
Welcome to Evilution

[spoken]

Now that you are here...defender of all that is good,  
And that you have stepped on the holy territory of the  
Master of all evil...let me explain to you that this was  
To be your destiny from the very beginning...  
May those who believed in you finally see that I cannot  
Be destroyed...and may those who have doubt finally  
accept  
That world domination now is mine! So feel the blade  
of my  
Sword, brave man, and die...!

Lion - taste my revenge  
Left on my territory  
Your carcass' stench

Liar - you had to die  
I had to take your life  
And you know why

Close your eyes  
Ain't it nice  
See your blood  
I'm your god

Fate is sealed  
Truth revealed  
I'm the one

All I want  
I want to have your head  
Hanging on my wall

As I urinate on your pale face,

I crown myself 'cause you have  
Lost the race

Evil - this is my name  
God could not help you my friend  
He is to blame

Demon - be my guide  
Give me the powers  
I need From the inside

Dead and gone  
I have won  
Reign of fear  
Now it's here  
Never forget my name  
Or I'll kill you

[spoken]  
May the world never rest in peace...'cause  
I am President Evil...

Fire - burning in hell  
Light the world  
Hail to the king  
Ring the bell
