Who's riding that wave ?
Who's been swept away ?
You've ben sailing solo
Dragging that undertow
I can see through your bravado
I can free you from that ghost
I can see right behind your shadow
Why Stand Alone ?
Why Stand Alone ?
I wanna take you home with me, so
Why Stand Alone ?
It don't make you weak
To show me you need
I wanna take you home with me, so
Why Stand Alone ?
Faded silhouette
Betrays your secret
You've been licking your wounds
You were not immune
I can see through your bravado
I can free you from that ghost
I can see right behind your shadow
Why Stand Alone ?
Why Stand Alone ?
I wanna take you home with me, so
Why Stand Alone ?
It don't make you weak
To show me you need
I wanna take you home with me, so
Why Stand Alone ?
I can see that your eyes
Are sensitive to light
Step away from the dark
You're not invisible - invisible
Sometimes we need
A little room to breathe
Sometimes we need
A little gravity - gravity
Why Stand Alone ?
Why Stand Alone ?
I wanna take you home with me, so

Why Stand Alone ?
It don't make you weak
To show me you need
I wanna take you home with me, so
Why Stand Alone ?
