Verse 1:

Here Here, here we go again
notoriously know as the prodigal sin
my product is fin, now I'm blasting out to the airwaves
submarines, coalminers and jet airplanes
momma said if you make it, you better not change
I'mma do her proud and show you how I'm raised
Swag out the gate, so early you out late
Cackalaka style, this here is my fate
add me on Myspace, add me on Facebook
get a bumper sticker with Hip Hop's new look
tell your best friend, the message that I cook
will make you obese, cause damn it I'mma beast
you hear me on the beat? I'mma monster
T minus 4 seconds I'mma launch yah
I said you hear me on the beat I'mma monster
T minus 4 seconds I'mma launch yah, WHOA

Chorus:

I came into your life like BAM!
left people stunned and froze just like DAMN!
I closed, I cl- close the door like WHAM!
I think I la la I love this JAM!
Ladies go BAM!
Fellas go BAM!
Ladies go BAM!
Fellas go BAM!
Ladies go BAM!
Fellas go BAM!
Everybody everywhere, BAM! BAM! BAM!

Verse 2:

Running a maze like a lab rat
If you move my cheese I'mma slam you down on your
ass crack
feining for music, I need it gotta have that

long sock wearing guy, I'm so abstract
get your hands high, get 'em so high that
you can swirl and swirl the clouds in the sky
ain't no walking by, they all just looking
like this is illegal and the Sheriff should book 'em

Why? WHY? because I stole your attention
Hypnotized by the flow that I'm spittin
breathe of fresh air like country living
only Goodwill can be more giving
blow the roof off, expand your ceiling
opening your heart, embrace this feeling
BOOM, can you feel that?
BOOM, can you feel that?
BOOM, can you feel that?
BOOM, said can you feel that?

Chorus

Verse 3:

Ladies I heard you really like me
do you like me? (Yea we like you)
Ladies I heard you really like me
do you like me? (Yea we like you) cool
What it do, I'm the new coming through
Got the looks for the tube and the beats for the groove
Who would have, who'd a know once I got in the zone
I'mma rock the, rock the party all night long
so little buddy don't touch that dial
girl let me see that Colgate smile
Prodigal child, rhyme so well
and I believe my time is right now

Chorus
