(Chorus)

This goes out to all of y'all females and males

Without it, with a job, a-get your groove on

(A-get your groove on)

Come and get your groove on

(A-get your groove on)

(Pras)

Refugee Camp, uh-huh

Navy Seals, All-stars, come on, come on, come on

(Pras)

Yo, yo, yo, so you wanna be startin somethin

Not for nothin, but yo, Pras is only good for, steady pumpin

I go bust I'm inflammable yeah, you disgust me

Your flow is horrible, see your man gotta carry you

Hyper water balls say no more your words are too cheap

Too affordable, you incapable of runnin your label

Goin against my crew is very irrational, improbable unthinkable, yeah quite impossible

So what's your motive, tell me, what's your agenda?

Try to slide under my name is all proper beginner

Tackle the crime, run out of time, in the wrong state of the mind

Is a sign of the time, you was quick like Cower Marie

Type a kid, slowly for what, his birth

I'll drink you like a bloody Mary

Why try, you die, black eye, you rough guys

Try to light my fire you get burnt with smoke eyes

(Chorus)

This goes out to all of y'all females and males

Without it, with a job, a-get your groove on

(Get your groove on)

Come and get your groove on

(Get your groove on)

And tell my people that's rowdy bout it

In the click about it, about it

Let me see ya scream and shout, a-get your thug on

(Get your thug on)

Come on and get your thug on (come on, come on,
come on)
Everybody come on

Where you been, on tour, niggas get no dumber
It's scary
