[Pras] (Dante)

Uh, I mean I'm just sittin right here (California)  
Ckeekin out these ladies right here, baby you hot  
(This is where he saw her)  
I mean you sexy, oh my God,  
(I long to love her)  
Imagine one question: "Where you from anyway?"

[Dante]

1- She's Miss California, hottest thing in West L.A.  
House down by the water, sails her yacht across the  
bay  
Drives a marinello, hollywoods her favorite scene  
Loves to be surrounded with superstars that know her  
name

She's a rich girl from the top of the food chain  
Love and material things, kinda lonely  
'Til I met her at the Grammys, ten mill' on a diamond  
ring  
She invites me, to spend a day on the jet skies  
At first it didn't mean a thing, then she told me  
I'm the one that she searched for, it was hard to  
believe

Repeat 1

In a couple a days she had me a bracelet made  
From Harry Hinstons' place, went horseback  
Up to the mountain top, showin me the land she's got  
Well it's alright but something else is on your mind  
Looking past all that shines, now the tears are running  
too  
All those things are nice but it's not why I'm here  
I will wipe away your tears, simply by just loving you.

[Pras]

Ah, aha, nah, yo yo

Ayyo she first saw me bling at the Source Awards  
Toll the money in a fame when the world is yours  
Til a ghetto superstar and I love to floss  
Talk a player, bring my clique you bring yours  
Bros' nah, they just want to mislead us  
Breathes cheetas and tell us they don't need us  
Midas up in the spot no skies please believe us  
We can get strange Evas, street G's

Repeat 1

Repeat 1

[Pras]

Uh uh uh, by the way I lick my lips  
Cause you can tell I talk slick  
Move like a pimp when I go to pick  
Throughs my women like an unfill draft  
First round second round, this is a no craft  
"Como estas senorita?", cock back Cristal  
Sip my corida, have some ice  
But never I'm caressin, and you act raw nice  
My flight with Paris, street G's
