Get to it
Let's go
Let's do it
Fo Sho
Let's do it
Let's go
Get to it
Oh no

Back breakin body shaking
Neck snapping while rotating
Arm twisting hip shifting
Underground are you listening
Break and break
Break and break
Break and break
Break and break
Battling is what it's for
Body rolling on the floor
Stop it make them want some more
Pop it pop it encore
Break and break
Break and break
Break and break
Break and break

Let me see you get loose
Let me see you get
Let me see you get loose
Let me see you ger
Let me see you get loose
Let me see you get
Let me see you get loose
Let me see you get
Bim bim bim bim
Bim bim bim bim

This is for my breakers
My down true breakers
Let me see you get loose
And wild while I take you
Break and break

Break and break
Break and break
Break and break
Wrist pop pop lock
Body rock don't stop
Bgirl got jaws dropped
Bboy take em to the top
Break and break
Break and break
Break and break
Break and break

Let me see you get loose
Let me see you get
Let me see you get loose
Let me see you ger
Let me see you get loose
Let me see you get
Let me see you get loose
Let me see you get
Bim bim bim bim
Bim bim bim bim

I took your head off
You want it back
Get off the dance floor
You can't get mad
I took your head off
You want it back
Get off the dance floor
You can't get mad
Give it to em
Give it right
Make em battle
Make em fight
Hold it in with all your might
Real hip hop alright
Break and break
Break and break
Break and break
Break and break

Let me see you get loose
Let me see you get
Let me see you get loose
Let me see you ger
Let me see you get loose
Let me see you get
Let me see you get loose
Let me see you get
Bim bim bim bim

Bim bim bim bim
