"If You Want My Love"

Visit "[If You Want My Love](#)" on MotoLyrics.com

If you want my love,
you better not hesitate
because i want you
If you want my love,
don't procrastinate
because i want you.

When we first met you asked me for my number,
then you fronted me and stepped to someone else.
don't play me boy, don't play on my emotions
cuz i'm not gonna hang my heart on the shelf.

chorus

at skool sometimes your actin like you want me
and then i see you flirt with someone else
better reconize that other guys call me
i even got a call from your best friend

chorus

Hook- what must i do just to make you (step to me, step
to me)
if you want me too i gota make you (step to me, step to
me baby)
i can't play the fool i gotta make you (step to me, step
to me)
when i build my world around you, i'll always be down if
you want my love.

chorus (2 x's)

hook

chorus 'til end
