Just a touch of love, a little bit
Just a touch of love, a little bit baby
Just a touch of love, a little bit baby

I never believed that I would ever find somebody
Who gives me all I need, and stands by me
But you walked out in my time of troubles
When I stumble you picked me up and saw me through
It was

CHORUS

You are the air I breathe
How did I ever live without you
Chasin dreams losin slep
Just made me weak
Then I found out your strength made me able

Give me the reasons to overcome your fears and
theres no doubt

CHORUS

(Nuttin but love honey is what you need) Love I need
love
(Nuttin but love honey is what you need) Love I need
yeah
(Nuttin but love honey is what you need) Love I need
yours
(Nuttin but love honey is what you need)

Never change me, I just wanna say Im thankful
For giving me security, because lifes so sweet
Now theres no doubt, I wanna be with you
To give out the trust in me

CHORUS

(I Love You)

A touch of love, nuttin but love
A touch of love, nuttin but love

A touch of love, nuttin but love
A touch of love, nuttin but love
A touch of love, nuttin but love
A touch of love, nuttin but love
A touch of love, nuttin but love
A touch of love, nuttin but love
