aby girl listen up let me holla for a second  
I aint tryna be rude I'm just tryna get you naked  
I figured if you keep it 100 you'll respect it  
I know you tired of niggas lying to you so check it  
I aint tryna settle down but I wanna fuck  
I wanna be behind you when you back that pussy up  
You look like a good girl ima make you my slut  
I bet you like it slow ima make you like it rough  
See I'm the type of nigga that will fuck ya life up  
Make you leave your man when he tryna wife you up  
Cuz that nigga borin I'm in to explorin  
You only with that nigga for them things that's  
important  
He gotta a good job and a real good father  
Layed in debt but damn girl why bother  
You need excitment in your life fuck with me  
Well settle if it's well fall in love with a g  
(CHOURS)  
Guess what I'm fuckin tonight  
Wheather you know it or not ima beat that pussy right  
Yea I'm fuckin tonight  
Ima beat that pussy up  
Ima beat it up (3x)  
So I aint gotta eat it up  
Tryna lay in it  
  
Then playy in it  
  
If it's good all night ima stay in it  
Sway in it if it's tight ima get it right  
Hop on top you know what your daddy like  
Rife it like a bike baby don't fall off  
I wanna see them titties bouncin take it all off  
She tryna crawl off say it's in too deep  
Bust so much she quit and try to fall asleep  
Turn that ass over back stroke pick her up  
Grab her by her hair while I slap her on the butt  
I'm bout to but pulled out snatched the rubber off  
And like a trill bitch she let me put it in her mouth  
(CHOURS)  
Is you gon let me rock it say you'll let me rock it

Ima gon beat it till the walls come a knocking  
Baby don't stop it open let me rock it  
Turn that ass around and get it beat by dallas blocker  
Baby never mind it you aint up for mounth  
Ima take a shower and just act like weve been nappin  
Guess what I'm fuckin tonight... yea  
So baby if your down call me and I'll be around  
I'll be on the other side of town  
Hit me if you wanna fuck around  
(chours)
