See what you do to me, knocks me up off my feet
Like a shot of Hennessey girl I lose control I care to
make you see
Those girls be on tv, but cant compare to she
A knot up in my throat, girl you know drop the bomb on
me.

Baby girl is a star, she's like the girls up in the fashion
magazine
She makes me st- st- st- stutter when she step on the
scene
And she is so sexy, she should be on TV
The finest, like wine, it's so crazy [what you do to me.]

The words get in the way, I don't know what to say
I st- st- st- stutter stutter when you come round my way
I - N - D - E - P, E - N - D - E - N - T
Girl pose for your boy like the girls up in the fashion
magazine.

Baby girl is a star, she's like the girls up in the fashion
magazine
She makes me st- st- st- stutter when she step on the
scene
And she is so sexy, she should be on TV
The finest, like wine, [it's so crazy what you do to me.]

Got me in full attention, I wanna hit her switches
Shawty is fine, yes she is so sexy (She's so sexy)
I'll be your paparazzi (Tonight),
Tonight I'll take your picture (Mine, mine)
Cause you're a staaaaarrrrrrr oohhhh..

Baby girl is a star, she's like the girls up in the
fashion magazine (Ohh..)
She makes me st- st- st- stutter when she step on the
scene
And she is so sexy, she should be on TV
The finest, like wine, [it's so crazy what you do to me.]
