{Wellllllllllll, I ain't never
I ain't never
A-seen nobody like you
No no no}
Never, have I ever
{A-seen nobody like you}

{You call me up to say you'll meet me at nine
I have to hurry hurry that I'm there on time
I walk right up and knock on your door
The landlord says she ain't here no more}

{I ain't never}, oh darling
{A-seen nobody like you}
Boo-hoo but I love you
Yeah I love you
{I love you just the same}

{You tell me sweet things that you don't mean
You got me a-livin' in a honey dream
You make me do things I don't wanna do}
My friends'll say, "Webb what's wrong with you?"

{I ain't never}, oh darling
{A-seen nobody like you}
Boo-hoo but I love you
Yeah I love you
{I love you just the same
I love you just the same
I love you just the same}
