Slowly now, then faster as we go  
Show me how, as if I didn't know

Mary Kate & Ashley

All this time, it's only in my mind  
All my socks are covered with your love  
I can't sleep, so rub a dub a dub

While the household's sleeping  
My right hand starts creeping

All alone in my room  
Here I did my  
A mental picture of you  
Turns a boy into a man

Locked inside for hours at a time  
I can't stop, these thoughts are so unkind

Mary Kate & Ashley

If I go blind, then prayer will be just find  
I don't feel so lonely anymore  
How could I forget to lock the door?

While the household's sleeping  
My right hand starts creeping

All alone in my room  
Here I give my  
A mental picture of you  
Turns a boy into a man

Hello mom  
Hello dad  
This is weird  
Your timing's bad  
This is not what it seems to be  
I was sure it was only me

All alone in my room  
Here I did my  
All alone in my room  
Here I am  
A mental picture of you  
Turns a boy into a man  
A mental picture of you  
Turns a boy into a man

Hello mom  
Hello Dad?!
