SWAMPED

" Master of our destiny, there is no wiser teacher than
your heart."

"Signore del nostro destino, non esiste alcun maestro
pi? saggio del tuo cuore"

When you're taught through feelings

Destiny flying high above
all I know is that you can realize it

Destiny who cares
as it turns around
and I know that it descends down on me

It's just another day
the shame is gone
hard to believe
that I've let it go

Destiny can't replace my life
scary shadows of my past
are alive

Destiny who cares
as it turns around
and I know that it descends
with a smile

It's just another day
the shame is gone
hard to believe
that I've let it go away

It's just a melody
it bleeds in me
hard to believe
that I've let it go
