You call the cable, make a cozy home

Man

You need a rock 'n' roll singer

Man

You gotta thumb and a finger.....

You got aposable thumb

Aposable thumb

Aposable thumb

I got one!

Aposable thumb

You gotta learn to drive a big rig
Man
You lose your hair, you wear a tiny wig
Man

Man
You're gonna have to try and kill me
If you wanna be a man
If you wanna be a man
If you wanna be a man
If you wanna be a man
You gotta make me a man
Make me a man
Makin' me a man
Makin' me a man.....

I got one of those thumbs....
