My date with the President's daughter
My date with the President's daughter
Oh, yeah
My date with her
So happy
It took all night
I felt so good

We took the Oval Office by surprise
You should have seen the Secret Service agents' eyes
His jaw must have dropped about a hundred yards
When we stole her daddy's big, bad car

My date with the President's daughter
My date with the President's daughter
Oh, yeah
My date with her
So special
So unique
I don't forget it
My date with the President's daughter
