I look into the mirror and I watch myself laugh
But I'm crying
I look into my eyes but they DON'T LOOK BACK

Chorus: I'm a reflection of
A reflection of
A reflection of
My reflection

There's a liar beyond - I can't face myself
Who's gonna turn the back? Who's gonna FADE AWAY?

Chorus:

I look into my eyes
But they DON't LOOK BACK
Look into my face
Watch myself laugh
But I am crying

Chorus: 2X

Smash
Smash
Smash
Smash
