Put me up, put me down
put my feet back on the ground
put me up, take my heart
and make me happy

Put me up, put me down
put my feet back on the ground
put me up, feel my heart
and make me happy

Here we go gettin' smooth to the groove
Watching lovely ladies how I sooth as I move
That's what they say but I can't prove
So turn it up again and watch me move
As I get close you whisper coco
I hold you in my arms and you say jamboo
Scream and shout turn and say columbo
Now I gotta go yo coco

Put me up, put me down
put my feet back on the ground
put me up, take my heart
and make me happy

Put me up, put me down
put my feet back on the ground
put me up, feel my heart
and make me happy

But no coco loco boom while I take a pee lee
When I hold my baby tighter she says I do it nicer

And that's what you get when she shout out Jamboo
