My heart is beating hard and my knees are weak
My heart is beating hard and my knees are weak

(Refr.)

Take me to the love zone
Take me to the love zone
I wanna know all your mysteries
Take me to the love zone
Take me to the love zone
Is it a dream or reality?

Is it you? is it me? or just a fantasy?
Is it you? is it me? it's got to be

Take me to the love zone
Take me to the love zone
I wanna know where the love has come
What goes on inside of me?
Everything turns upside down

4x
My heart is beating hard and my knees are weak

(Refr.)
Take my hand, and follow me
Look into my eyes and see

4x
My heart is beating hard and my knees are weak

(Refr.)
2x
My heart is beating hard and my knees are weak

(I wanna know where the love has come)

2x
My heart is beating hard and my knees are weak

(I wanna know where the love has come)
