You make me wanna wash your car, paint your house  
If that's what being with you girl is all about  
Cuz I love you, girl, I will be your do boy  
You make me wanna get your nails done  
Your hair weave, too  
Buy your son some Jordan's if he wants em, boo  
Cuz I love you, girl, I will be your do boy  
[Verse One]  
See, I'm the type of brother, that acts on what I feel,  
And baby when I saw you, walking by, fine as hell  
You caught my eye  
I knew that it was real  
Even if I have to cook and clean, feed the kids, mow  
the lawn, then  
Oh girl, I will do it and I don't give a damn what it takes  
for me  
I'm willing to go through it  
[Chorus: Two]  
You make me wanna scrub your floors, on my hands  
and knees  
Take your niece and nephew down to Chucky Cheese  
cuz I love you  
Girl, I will be your do boy  
You make me wanna pay your rent, light bill, too  
If that is what it takes for me to get w/ you, cuz I love  
you  
Girl, I will be your do boy  
[Verse Two]  
Your silky hair, sexy eyes really turn me on  
Here's my number, call me baby anytime you want, girl  
I'm not afraid to do a thang cuz  
I wanna get down wit you, down wit you  
Have you ever had a man that gives you what you want  
I want you bad, you got me pheenin', girl  
I just can't front, I zoning baby, cuz I love you, baby,  
zoning, baby  
[Chorus: One & Two]
