Somewhere in time,  
Somewhere in space,  
Somewhere deep down,  
In the darkest place.

Something inside,  
Under the skin,  
Deep deep down,  
Deep within.

You can't feel a thing,  
That's what darkness brings,  
Darkness, darkness,  
You can't feel a thing,  
That's what darkness brings.

Dark dark dark dark dark.

Somewhere enclosed,  
Far below,  
Out of reach,  
In the soul.

You can't feel a thing,  
That's what darkness brings,  
Darkness, darkness,  
You can't feel a thing,  
That's what darkness brings.

You really have flipped

I want to feel something  
Anything anything ...

You can't feel a thing,  
That's what darkness brings,  
Darkness, darkness,  
You can't feel a thing,  
That's what darkness brings.  
Darkness, darkness,  
You can't feel a thing,  
That's what darkness brings.

Darkness, darkness,  
You can't feel a thing,  
That's what darkness brings,

Darkness, darkness  
Darkness, darkness ....

Once I had a love that was everything,  
We had unspoken understanding,  
And then one day you went away,  
Went away went away ...

Darkness, darkness  
Dark dark dark dark dark  
Darkness, darkness  
Dark dark dark dark dark  
You really have flipped
