Senorita
Your little body tempt me
You know how to tease me
Senorita
Can't you hear my plea ?
I'm begging on my knees
She's walking through the door looking fine
Divine the way you move your waistline
You got my body trembling
But don't tell me you went to bed with him
I'd do anything to be with you
Honeyboo
Even keep my heart true
Roll with you
Go slow with you
Keep holding you
Senorita
You know how to please me
Senorita
It's time, my love, to see
Senorita
Only you can set me free
Senorita best believer
The main feature, I'd like to meet you
Greet you with roses, the romantic
Step to you but then I get frantic
I'm in a panic
I can't stand it
Shineyed girl you left me stranded
To you Senorita, I hand it
You're the love bandit
Senorita
You know how to tease me
Senorita
Your style I admire
Senorita
It's you I must acquire
Senorita you're amazing
Love is out my cage 'n' raging
No other phrase in the world can describe a shineyed
girl
Except, Senorita the finer face

A crime to waste that sweet taste
i'm gonna win the race, I can't get enough
I have to have your love
