Imagine for a moment we had the strength to dream
Knowing we could work together
Calmness deep inside me
Loving you my only pleasure
Trying not to focus on material gain
Mark of my life, has it been the same?
Knowledge of the future
And all it has to give
Am I looking for perfection ?
Gotta give your soul
Make it unconditional
Gotta give it up
Gotta give it all
Make it unconditional
Give it up
Give it up
Only love from within
Is all I have to bring
Burning deep
Lifting me higher
Your smile is my fire
My reason to live another day
Since loving you has changed my life this way
Now's the time to give it all we have
Am I looking for perfection?
Gotta give your heart
Gotta give your soul
Make it unconditional
Gotta give it up
Gotta give it all
Make it unconditional
Gotta give it up
Gotta give it up
