Ever since the day that you left me I been whinin' like a little lost pup

The sun went down when you left town and you ain't a gonna come back up

A walkin' in a wearin' out leather a scuffin' up the hardwood floor

Starin' at the phone since you've been gone and listenin' for a knock on the door.

I said there ain't nothin' shakin' but the leaves on the trees

And they wouldn't shake if it wasn't for the breeze

There ain't nothin' happenin' with the birds and the bees

There ain't nothin' shakin' but the leaves.

--- Instrumental ---

Hurt slippin' in' through the window the heartaches are laughin' in the hall

And I got the news that old man blues is a seepin' through the cracks in the wall

The end is a waitin' round the corner and hope is just about gone

If you only knew how I needed you then you'd come a runnin' back home.

I said there ain't nothin' shakin' but the leaves on the trees

And they wouldn't shake if it wasn't for the breeze

There ain't nothin' happenin' with the birds and the

bees

There ain't nothin' shakin' but the leaves.

I said there ain't nothin' shakin' but the leaves on the
trees

And they wouldn't shake if it wasn't for the breeze

There ain't nothin' happenin' with the birds and the
bees

There ain't nothin' shakin' but the leaves...
