I've been a hurtin' from the hunger for your love
I've been a hurtin' ever since you've been gone
I've been a hurtin' from the hunger for your love
And I keep a hurtin' till you come home.

Wish I only knew what to do
My poor heart's breakin' in two
Everyday is rainy and blue and lonesome
'Cause I ain't got you.

I've been a hurtin' from the hunger for your love
I've been a hurtin' ever since you've been gone
I've been a hurtin' from the hunger for your love
And I keep a hurtin' till you come home.

--- Instrumental ---

Ever since you left me behind
I can't make my little light shine
Hurtin' and a cryin' all time a livin'
With the trouble of mine.

I've been a hurtin' from the hunger for your love
I've been a hurtin' ever since you've been gone
I've been a hurtin' from the hunger for your love
And I keep a hurtin' till you come home...
