If my heart had windows
You'd see a heart full of love just for you.

A tear may appear when I hold you near
But that's for the sweet things you do
If my heart had windows
You'd see a heart full of love just for you.

By your side I'll stay till we're old and gray
Reminisclin' young moments we knew
If my heart had windows
You'd see a heart full of love just for you.

--- Instrumental ---

A thief couldn't steal the joy that I feel
Heaven for me has come true
If my heart had windows
You'd see a heart full of love just for you.

If my heart had windows
You'd see a heart full of love just for you...
