If you want something to play with go out and find
yourself a toy
Baby my time is too expensive mhm and I'm not a little
boy
If you are serious don't play with my heart it makes me
furious
But if you want mhm me to love you then baby I will girl
you know I will.

Tell it like it is don't be ashamed let your conscious be
your guide mhm mhm
I know deep down inside of me I know baby you love
me forget your foolish pride
Life is too short to have sorrow you may be here today
gone tomorrow
You might as well get used to what you want
So go on and live uhm baby go on and live uhm.

Tell it like it is
I'm nothin' to play with go and find yourself a toy
Tell it like it is...
