The Telephone rang, it's 4 am,  
The date 27 of July, We won't forget  
This date from now, Where all we's began?  
With the taste of tear drops dripping down on my skin

Why did you have to drive  
Why did you have to go  
And god why did you take my angel away from me  
I guess I'll never know  
I guess I'll never know

Mother This songs for you  
Don't worry about your girl  
She's dressed in white this time  
Wearing wings that don't hurt

Just like her wedding day,  
We all should have seen  
We will never forget that smile written down on her  
face

Why did you have to drive  
Why did you have to go  
And god why did you take my angel away from me  
I guess I'll never know  
I guess I'll never know

Who said, that it was time to go  
I'll ask that question to god today  
We cried, we wish you could have stayed  
But we will see you someday  
Someday, someday

We'll see you someday  
See you in heaven tonight

Who said, that is was time to go  
I'll ask that question to god today  
We cried, we wish you could have stayed  
But we will see you someday  
See you in heaven tonight

Who said that it was time to go  
I'll ask that question to god today  
We cried, we wish you could have stayed  
But we will see you someday  
See you in heaven tonight

I'll see you on the other side
