I've been thinking about life
And I've been thinking about death
It's the first one that I talked about
That I really like the best
But I get so sick and tired of
People saying what I gotta do
And what I cannot
If I cannot make my own decisions
I might as well be dead

Might as well be dead
Might as well be dead, Yeah
Might as well be dead, Yeah
Might as well be dead

I've been thinking about life
And I've been thinking about death
It's the first one that I talked about
That I really like the best
But I get so sick and tired of
People saying what I gotta do
And what I cannot
If I cannot make my own decisions
I might as well be dead

Might as well be dead
Might as well be dead, Yeah
Might as well be dead, Yeah
Might as well be dead

Might as well be dead
Might as well be dead, Yeah
Might as well be dead, Yeah
Might as well be dead
