Private cars and coffee bars  
Tattoos and fake bass ques  
Is this you or someone in the magazine

Click tracks and all that crap  
Is that where rock and roll is at  
Is this you or MTV - MTV is you

You wanna be just like them  
You wanna act like a trend

Save your soul on rock n roll radio  
You fucked the rock you just wanna roll  
If it's not playing on my stereo  
I can't change  
It's all I know

Save your soul on rock n roll radio  
You fucked the rock you just wanna roll  
If it's not playing on my stereo  
I can't change  
It's all I know

Cocaine conversations  
Gold diggin for vacation  
Guest list and big backstage  
Is that all the rage

Shaved heads is that where it's at  
Please bring my rock n roll back  
Is this you or MTV - MTV is you

You wanna be just like them  
You wanna act like a trend

Save your soul on rock n roll radio  
You fucked the rock you just wanna roll  
If it's not playing on my stereo  
I can't change  
It's all I know

Save your soul on rock n roll radio

You fucked the rock you just wanna roll  
If it's not playing on my stereo  
I can't change  
It's all I know
