She just turned 21,
And she's out on the run.
She's trying to see the world,
And have some fun.
But every guy she meets,
Well wants to make her his to keep,
Well no ones gonna sweep her off her feet.
It's not love, well don't offer her diamond rings.
It's not love, well don't promise her everything.
A moonlight dance,
And a one night romance,
It's all she really needs.

She's restless,
Well she's too young and restless.
She's still looking for a destination.
She's not ready for dedication.

Well somewhere in the town,
Well she's out running round
She's having too much fun to slow her down.
But youth just goes too fast,
And she won't let it pass,
She's gonna go out there and make it last.
It's not love, well don't offer her diamond rings.
It's not love, well don't promise her everything.
A moonlight dance,
And a one night romance,
It's all she really needs.

She's restless,
Well she's too young and restless.
She's still looking for a destination.
She's not ready for dedication.

She's restless,
She's too young and restless.
She's still looking for a destination.
She's not ready for dedication. No No.

(Guitar Solo)

She's restless,
Well she's too young and restless.
Well she's still looking for a destination.
She's not ready for dedication.

She's restless,
Well she's too young and restless.
Well she's still looking for a destination.
She's not ready for dedication.

She's restless,
Well she's too young, restless.
Well she's so young
She's not ready for dedication.

Oh yeah...
