CATCH ME I'M FALLING

Pretty Poison

(Words and music by Jade Starling and Whey Cooler)

Are you ready boy?

here I come, catch me I'm falling

You came into my life

The look in your eyes

Took me by surprise

It's you

And nobody else

Your love has made me

So blind I can't see

I am descending

From heaven above

So catch me I'm fallin baby

Hold onto my love

(chorus)

Catch me I'm falling

Catch me now I'm falling

Catch me I'm falling

Catch me now I'm falling

Falling in love  
Two hearts beating in time  
The rhythm as one  
I am yours, you are mine  
For you  
I surrender myself  
Each night-every day  
Always feeling this way  
Falling in motion  
As though I had wings  
Your sweet love and devotion  
Baby it's magic  
A magical thing  
chorus  
(tag)  
Ooooh baby, what can I do?  
I'm falling for you
