While she was standing there
Anâ' looking out the window
Anâ' see the rain falls down.

She looks so sad,
Donâ't know what failds
An donâ't want to talk about.

Canâ't you just feel
Canâ't you just see
That what she needs, is love.

She stands in the crowd
Anâ' looks up to you
See in your face, the love was true

She wansâ't to talk with you
But, you ignored her
So she was really saaaad, so sad

Canâ't you just feel
Canâ't you just see
That wath she needs, is love
Canâ't you just feel(canâ't you)
Canâ' you just see(canâ't you)
That wath she needs, (that was she needs)
Is Love.

Donâ't you(donâ't you know)
That there was a strong line(strong line)
A strong line(strong line, strong line)
Between you anâ' I

Ooohohâ...

Canâ't you(canâ't you)
Jut feel
Canâ't you(canâ't you)
Just see

Canâ't you just feel
(Canâ't you just feel)

Can't you just see
(Can't you just see)
"That wath she needs" 2x
Is LOVE.

Wohoahaoh
