I don't wanna live
I don't wanna sleep
I don't wanna cry
But I don't know why

A morning I wake up
I must go to school,
Yeeeeeehh
'Cause today I must learn the rules
And then I come
In to the class
I see a boy
And I know him good
I look at him, he looks at me
And then I fall in love with him.

I don't know
Why I live
I don't know
Why I sleep
I don't know
Why I cry
But now I know why

Now I have
Find the reason
Why I live on earth
I live on earth
'Cause I must fall in love
With someone
And the next day
We were together
And I was the happiest girl On earth.

I don't know
Why I live
I don't know
Why I sleep
I don't know
Why I cry
But now I know why
I send him an mail

After the shool
It was very late
At the night
I sende; good night, I love you
But get I an answer? Â...NoÂ...

My live has no reason
When the boy donÂ't love me
No more
Then I maybe
Would kill myself
Â'Cause he is The best
Friend, IÂ've ever had.

I donÂ't know
Why I live
I donÂ't know
Why I sleep
I donÂ't know
Why I cry
But know I know why
