I can't stop staring at you  
You are so hot I wanna die  
You can't seem to get away  
So I hope I get to know you

[Chorus]

Cause now I think that I'm in love with you  
I really don't know what to say or do  
I can't stop look at you  
You are so beautiful  
Ooh...

As I've been thinking  
About all the things we could have done together  
It kind makes me sad  
Think if only you and I could be together

[Chorus]

Cause now I think that I'm in love with you  
I really don't know what to say or do  
I can't stop look at you  
You are so beautiful  
Ooh...

You are so beautiful  
You are so hot  
God, I'm so sorry I can't stop

[Chorus]

Cause now I think that I'm in love with you  
I really don't know what to say or do  
I can't stop look at you  
You are so beautiful  
Cause now I think that I'm in love with you  
I really don't know what to say or do  
I can't stop look at you  
You are so beautiful  
Ooh...
