Why do walk away and act like your nothing?
I can't realize what you is up whit today
Nononono

I can't quite seem why you
Acting so weird around me
Ohohoh

You are the blood that I need
You are the air that I breathe
You are everything I want
I can sit down and wait for you, for months.
Yeyyehyehyeh ohoh

Why does this feeling feel so weird on me
I know I had it before today is like you
But it is different this time
All suddenly, everything has
Been changed
Ohohoh

You are the blood that I need
You are the air that I breathe
You are everything I want
I can sit down and wait for you, for months.
Yeyyehyehyeh ohoh

I can sit down and wait for you,
For you for you for you
Yeh yeh, yeh

I know that I like you
I'm different
I'm not like them
I know I'm am different
I do like you
I am not like them

You are the blood that I need
You are the air that I breathe
You are everything I want
I can sit down and wait for you, for months.

Yeyyehyehyeh ohoh

You are the air that I breathe

You are everything I need

I can sit down and wait for you
