I know I was stupid
When I broke up with you
For another man
I wanna have you back
Because I'm sorry for that time

[Chorus:]
It was me and you
Togheter that time
But I know that you never come back
It was me and you
Togheter that time
I really miss you, can't you come back?

I has tried everthin, to get you to forgive me
I go down on my knees, and bagged you
But you don't wanna have me back
So I just, cried ever night

[Chorus:]
It was me and you
Togheter that time
But I know that you never come back
It was me and you
Togheter that time
I really miss you, can't you come back?

Why can't you just try to forgive me?
I'm really sorry, can't you see?
Can't you just tell me what to do?
So mayby you can love me to!

[Chorus:]
It was me and you
Togheter that time
But I know that you never come back
It was me and you
Togheter that time
I really miss you, can't you come back?

Yeah!
It was me, and you,

Togheter that time
