Â"Hello, it's the Police, can you please come to  
Mr.Reckfords Office? Â"

Â"Yes, shure I can, goodbye then.Â"

Â"GoodbyeÂ"

(At the Office on the Police Station)

Â"Please sit downÂ"

Hello Mr.Reckford what

Do you want from me

I hate you yeah you must see

So what have I done,

Tell me.

Â"Can't we not talk about this later,

Please go out, yeah you Mr. Shreider

Please my Lady say the thruth,

Don't be mad, just look at you.Â"

I always see myself in the mirror

I look good, and smell like a fruit.

A police man like you is a killer,

So have you ever seen you in the mirror? Â"

Â"Please my Lady don't be aggressive

I am yours an you are mine,

Can't you just say

Â"Yeah, I tried to be nice an'

Look fine that you would be mineÂ"
