Here we are and I can't think from all the pills hey
Start the car and take me home
Here we are and you're too drunk to hear a word I say
Start the car and take me home

Just tonight I will stay
And we'll throw it all away
When the light hits your eyes
It's telling me I'm right
And if I, I am through
It's all because of you
Just tonight

But here I am and I can't seem to see straight
But I'm too numb to feel right now
And here I am watching the clock that's ticking away
my time
I'm too numb to feel right now

Just tonight I will stay
And we'll throw it all away
When the light hits your eyes
It's telling me I'm right
And if I, I am through
It's all because of you
Just tonight

Just Tonight

Do you understand who I am
Do you wanna know
Can you really see through me now
I am 'bout to go

But just tonight I won't leave
I'll lie and you'll believe
Just tonight I will see
That it's all because of me

Just tonight I will stay
And we'll throw it all away

When the light hits your eyes
It's telling me I'm right
And if I, I am through
It's all because of you
Just tonight

It's all because of you
Just tonight

It's all because of you
Just tonight

It's all because of you
Just tonight

It's all because of you
Just tonight
