"Kill Me"

Everyday I wake up
Everyday I wake up alone
Everyday I wake up
Everyday I wake up alone

Let me open up a discution with ?I?m not impresed with
any mother fucking
Word I say?
See I didn't cry When he came inside
And now I?ll burn a Highway to hell
SHUT THE FUCK UP
When I'm trying to think
I got to keep my concentration give me one more drink
And then I?ll try to remember the only advice that my
good book told me
And all the lost souls say
Every day I wake up
Every day I wake up alone
(Kill just kill)
Oh, get me out of the dark
Every day I wake Up
Every Day I wake up Alone
(Kill Just Kill)
Oh, someone get me out of sun

Drugs, bars, backseats of cars
Pulling bullies with the boarding levels (? let me get?)
So far
Keep the black thirteen down the louis machine
Got to keep my body dirty and my (?) clean
So when I wink and smile in a pile of meth I took his
hand and we walked
Through the shadow of death
And then I try to remember the only advice that my
teacher Told me.
And all the lost souls say...
Every day I wake Up
Every Day I wake up Alone
(Kill Just kill)
Oh, get me out of the Sun
Every day I wake Up

Every Day I wake up Alone
Kill Just kill
And get me out of the Sun
Someone get me out of the Sun (x2)
Deep depper depper inside pull the (?) cover you eyes
(?)
Can met a Good a Love A Jesus a Father
I don't even care the bunch
Why don't every bother so...

Let me just say that I was
Gonna begin
Don't waste your time waiting couse I'm going back in

Oh if I could just remember all the advices that my
mother told me
And all the
And all the lost souls say...
Every day I wake Up
Every Day I wake up Alone
(Kill Just kill)
Oh, get me out of the Sun
Every day I wake Up
Every Day I wake up Alone
Kill Just kill
Just get me out of the Sun
Someone get me out of the Sun (x2)
