He wants to be  
He wants to be  
Like everything, ooohh  
Under the sun

And 'cause I'm  
Sitting around here  
With this birds  
Like you,  
Birds on my knees  
Under the sun

I wanna fly  
I wanna fly  
Up to the sky, ooohh  
Flying so high

I'm like a bird  
I'm like a bird  
Don't know where my, soul  
Where my soul is

And 'cause I'm  
Sitting around here  
With this birds  
Like you,  
Birds on my knees  
Under the sun

Birds on my knees  
Under the sun

I'm like a bird  
I'm like a bird  
Don't know where my, soul  
Where my soul is

He wants to be  
He wants to be  
Like everything, ooohh  
Under the sun

And 'cause I'm  
Sitting around here  
With this birds  
Like you,  
Birds on my knees  
Under the sun
