I looked at your face
I saw that all the love have died
I saw that we had forgotten to take the time

I, I saw that you couldn't care less about what you do
You couldn't care less about he lies
You couldn't find the time to cry

We forgot about love
We forgot about faith
We forgot about trust
We forgot about us

Now our love's floating out the window
Our love's floating out the back door
Our love's floating up in the sky
In heaven, where it began
Back inn God's hands

You said that you had said all that you had to say
You say: Baby, it's the end of the day

We gave a lot but it wasn't enough
We got so tired that we just gave up

Now our love's floating out the window
Our love's floating out the back door
Our love's floating up in the sky
In heaven, where it began
Back in God's hands, back in God's hands

We didn't respect it
We went and neglect it
We didn't deserve it
But I never expected this

Now our love's floating out the window
Our love's floating out the back door
Our love's floating up in the sky
In heaven, it's part of a plan.
Back inn God's hands, back in God's hands

Oh, we didn't last, it's a thing of the past
No, we didn't understand just what we had
Oh, I want it back, just what we had
I want it back, just what we had.
