It's not so easy  
Lovin' me  
It gets so complicated  
All the things you gotta be  
Everythings changin'  
But you're the thruth  
I'm amazed by all your patience  
Everything I put you throught

And when I'm about to fall  
Somehow you're always waiting with  
Your open arms to catch me  
You're gone save me from myself  
From myself, yes  
You're gonna save me from myself

My love is tainted  
By your tuch  
Well some guys have shown me aces  
But you've got that royal flush  
I know it's crazy, everyday  
Well tomorrow may be shaky  
But you never turn away

And don't ask me why I'm cryin'  
Cause when I start to crumble  
You know how to keep me smilin'  
You always save me from myself  
From myself, myself  
You're gonna save me from myself

I know it's hard, it's hard  
But you've broken all my walls  
You've been my strength  
So strong

And don't ask me why I love you  
It's obvious your tenderness  
Is what I need to make me  
A better woman to myself  
To myself, myself  
You're gonna save me from my, myself.
