Sometimes I just feel like another girl  
Not that it's wrong or bad  
Just wonder how life would be if life was a paradise  
Sometimes it just makes me sad

[Chorus]

But I know how I would feel if I had no  
Friends or mind  
I'll just live my life in misery like  
Some other else  
I would never be happy, just like  
Afraid and alone, yeah  
Afraid and alone

Sometimes the stars are shining right at trough me,  
yeah  
Sometimes the sky is passing by  
It just makes me wanna cry  
Oh, oh, oh, yeah, yeah

[Chorus]

But I know how I would feel if I had no  
Friends or mind  
I'll just live my life in misery like  
Some other else  
I would never be happy, just like  
Afraid and alone, yeah  
Afraid and alone

Be alone makes me sad  
Be afraid makes me bad  
Being both of those things just makes me so damn  
mad

[Chorus]

But I know how I would feel if I had no  
Friends or mind  
I'll just live my life in misery like  
Some other else  
I would never be happy, just like  
Afraid and alone, yeah  
Afraid and alone

But I know how I would feel if I had no  
Friends or mind  
IÂ'll just live my life in misery like  
Some other else  
I would never be happy, just like  
Afraid and alone, yeah  
Afraid and alone

Afraid and alone, Afraid and alone
