You think that we connect
That the chemistry's correct
Your words walk right through my ears
Presuming I like what I hear

And now I'm stuck in the web
You're spinning
Now you've got me for your prey...

Sorry, I'm not home right now
I'm walking in to spiderwebs
So leave a message
And I'll call you back
A likely story. But leave a message
And I'll call you back

You take advantage of what's mine
You're taking up my time
Don't have the courage inside me
To tell you please let me be

Communication, telephonic invasion
I'm planning my escape

Sorry, I'm not home right now
I'm walking in to spiderwebs
So leave a message
And I'll call you back
A likely story. But leave a message
And I'll call you back
And it's all your fault
I screen my phone calls
No matter who calls
I gotta screen my phone calls

Now it's gone too deep
You wake me in my sleep
My dreams become nightmares
'Cause you're ringing in my ears

Sorry, I'm not home right now
I'm walking in to spiderwebs

So leave a message
And Iâ€™ll call you back
A likely story. But leave a message
And Iâ€™ll call you back
