That Fucking Guy

[Chorus:]

He is so fucking bad all the time  
He, is the worst guy I ever knowed  
He, is so ugly that I want to hit  
Him right now!

He say bad things about  
Everything I did and do  
He say all the secrets I tell  
To his friends  
(if he have someone)  
He get angry if I don't wanna to play  
But a second later he pretend  
Like nothing ever happened!

[Chorus:]

He is so fucking bad all the time  
He, is the worst guy I ever knowed  
He, is so ugly that I want to hit  
Him right now!

Often he try to make me angry  
He follow me like a cat  
When I have to be alone

Can't he just go, so I don't need to see him  
Can't he just leave, so I don't need to hit him  
Or can't he just die, so I don't need to see  
His stupid face again

[Chorus:]

He is so fucking bad all the time  
He, is the worst guy I ever knowed  
He, is so ugly that I want to hit  
Him right now!

"I hate you" I said  
"you don't" you answered  
"I do" I said  
"And never think anything else!"
