They say Iâ€™m stupid
They say Iâ€™m ugly
I think I know it,
But donâ€™t wanna show it

I have a ugly voice
They always say
I know they hear it,
But did they mean it?

Why, did they always say it to me?
Is it some other one
I wanna be?
Now Iâ€™m so good
Like done

Iâ€™m not happy with my live
I wanna kill me
Whit a big, big knife
Because Iâ€™m stupid
They other they see

They say I canâ€™t move it
They say I canâ€™t groove it
But why did they always
Say it to me?

Why, did they always say it to me?
Is it some other one
I wanna be?
Now Iâ€™m so good
Like done
