(Spoken)Yeah baby...I wanna do somethin special
tonight
Jus me and you..
You're so beautiful...
Turn off all the lights....

(Singing)Pitch black,total silence,in this room I can
barely see you
But what I can do
Is I can feel you,hear you
And baby I can taste you
Oooh,you taste so sweet
And on these red silk sheets
Ima show you what it means
When you hear them say....

(Chorus Lingerie):

Once you go black,you'll never go back,gurl
